# FRIENDS OF LAWRENCE WILSON ART GALLERY

Located in the beautiful grounds of the University of Western Australia, the Lawrence Wilson Art Gallery is one of the finest University Art Galleries in Australia.

Established in 1985, the Friends of the Lawrence Wilson Art Gallery is an active social group engaged in promoting the visual arts in Western Australia through support of the Gallery and the University Art Collection.

In addition to supporting the University through its long history of acquisitions of new works, and participating in a range of associated creative community events, as a member of Friends, you can join in and contribute to the lively activities of the Cultural Precinct at UWA.

Being a Friend will provide you with the opportunity to take part in a wide range of social and educational programs and to share your love of art while meeting with like-minded individuals. View the exhibitions and participate in the public events in the relaxed and friendly environment of the Gallery, with its comfortable lounge area, coffee machine and retail space. Learn more about the artists and exhibitions and become involved in stimulating discussions about contemporary arts practice and the broader Western Australian art scene. Enjoy opportunities to meet with and support the university student community while extending their interest in art through partnering in events at the gallery.

Above all you will share in the enjoyment and satisfaction that comes from belonging to one of Australia's leading cultural institutions.
